

Factory Talk On Demand

Dear Valued Customer,

You are invited to attend the FactoryTalk On Demand sessions hosted by Westburne Electric and Rockwell Automation. This is a hand on lab seminars which will take you through a variety of labs focusing on some of the key capabilities of Rockwell Automation.

Please take advantage of this opportunity to expand your knowledge and understanding of the FactoryTalk platform as well as discover its capability. This will be an ongoing event that you can attend at your convenience. The labs include FactoryTalkview SE, FactoryTalk Historian SE and FactoryTalk Asset centre.

Location: Rockwell/ Westburne
(Calgary, Edmonton and Fort McMurray)

Duration: 4- 8 hours depending on session

Seating: Each session is limited to Five people

Cost: Free

Date: At the customers convenience
